Jason Waddell
Superintendent

August 2021

Dear Parent or Guardian:

The Susanville School District provides basic insurance coverage for students under the following conditions:

1. Students must be on the grounds or in the buildings or other premises of the District by reason of attendance at regular day school of the District.
2. Riding in school-sponsored, school-supervised transportation, but not walking to school or waiting at bus stops.
3. Participating in school-sponsored, school-supervised activities at school or elsewhere including intramural, physical education and other classes, plays, and band concerts, excluding tackle football.

PARENTS SHOULD REALIZE THAT STUDENT INSURANCE DOES NOT GUARANTEE FULL PAYMENT OF CLAIMS SUBMITTED. The **Schedule of Benefits for Plan AA** is attached. This coverage is written to supplement existing family insurance, if parents have such medical insurance. **Student Insurance** is a primary insurance if there is no family insurance.

Sincerely,

A handwritten signature in blue ink that reads "Jason Waddell". The signature is fluid and cursive, with a large, looping initial "J".

Jason Waddell
